

To the Honourable the General Assembly
of the State of Missouri.

Your Petitioners; citizens of Gasconade
County, Mo. would Respectfully pray Your Hon-
or body, to grant by Legislative Action to them the
same privilege, which heretofore has been exten-
ded to the Citizens of St. Louis County, to wit:
that in future their electoral votes shall be
given by Ballots instead of loud proclaiming
each Ticket as delivered.

In soliciting this favor at your hands
Your Petitioners would humbly remark that
in their opinion "Voting by Ballot" would
better secure to them the right and liberty of a
free and independent suffrage.

And as in duty bound your Petitioners
will ever pray, &c.
